### CLIMATE CHANGE LEVY (CCL)

Yü Energy is required to collect CCL on behalf of the UK Government (Customs and Excise). CCL does not apply if the reduced VAT applies to the supply at the site.

### VAT

You must inform us of any changes in your circumstances which might affect any previous declaration of your liability for VAT. There are two rates of VAT applicable to supplies used for business or non-domestic purposes the standard rate and the reduced rate. Under the government concession, "low usage" for business or non-domestic purposes is chargeable at the reduced rate. The threshold for electricity is at or below 33kWh units\* and for gas it is at or below 145kwh\*. \*per day during the bill period.

### POWER CUT OR GAS LEAK

If you have or suspect a power cut or gas leak; for Electricity call the National Power Cut Helpline on 105 or for Gas call the National Gas Helpline on 0800 111 999.

### TERMINATING YOUR CONTRACT

Micro-businesses: Micro businesses are no longer required to serve termination notice.

Non-micro businesses: The latest date to submit termination is 30 days prior to contract end date.
